## REPORT TO THE COMMUNITY

# Stony Brook Eastern Long Island Hospital

Thomas E. Murray, Jr., Chairman, ELIH Association;  
Paul J. Connor III, Chief Administrative Officer, SBELIH;  
Kai Stürmann, MD, Chair, SBELIH Leadership Coordinating Council

## About Stony Brook Eastern Long Island Hospital

With 70 beds, Stony Brook Eastern Long Island Hospital (SBELIH) is an acute care community hospital committed to delivering excellence in patient care and meeting the current and emerging health needs of the North Fork and Shelter Island. In 2019, Eastern Long Island Hospital joined with Stony Brook Medicine to preserve the mission of our founders to better serve our community. A campus of Stony Brook University Hospital, SBELIH provides regional behavioral health programs serving the greater Suffolk County area.

At SBELIH, inpatients are under the care of world-renowned hospitalists, physicians who specialize in inpatient medicine and taking care of hospitalized patients in place of a primary care provider. Centers of Excellence include Medical-Surgical, Advanced Ambulatory Care, Behavioral Health, Emergency, Geriatric, Diagnostic Services, Physical Therapy and Gastrointestinal Services. SBELIH is fully accredited by the Joint Commission on Accreditation of Healthcare Organizations and has been awarded the Gold Seal of Approval.

## Mission

Stony Brook Eastern Long Island Hospital delivers world-class, compassionate care to our patients, advances our understanding of the origins of human health and disease, and educates the healthcare professionals and biomedical investigators of the future, so they can bring the fruits of scientific discovery to our patients.

## Values

**Integrity** – We are honest and ethical in all of our interactions.

**Compassion** – We provide empathic care with attentive listening and affirmation.

**Accountability** – We hold ourselves accountable to our community, to our organization and to each other for our performance and behaviors.

**Respect** – We foster an environment of mutual respect and trust, embracing diversity in people and thinking.

**Excellence** – We set the highest standards for safety, clinical outcomes and service.

# MESSAGE TO OUR COMMUNITY

# 2022

At Stony Brook Eastern Long Island Hospital (SBELIH), our vision is simple but so important: to provide the best outcome for every patient, every time.

Stony Brook Eastern Long Island Hospital is your hospital. Not only do we take care of you and your family when you have health concerns, but we are also the largest employer in the area. SBELIH generates more than 420 jobs in this community which allows us to serve over 13 thousand patients each year. We also have an economic impact of \$25 million on the local economy annually. This combination of 24/7/365 healthcare and economic benefit provides a type of “wellbeing” to help maintain and improve both your health and quality of life in this beautiful region of the North Fork and Shelter Island.

For more than 117 years, SBELIH has proudly served the community and is dedicated to providing local access to high-quality, comprehensive medical care by offering the latest medical innovations to meet the evolving healthcare needs of our community. SBELIH has made great strides and has achieved a number of accomplishments thanks to the hard work of our dedicated staff, the support from our local community, and Stony Brook Medicine.

As part of the Stony Brook Medicine healthcare system, SBELIH has been able to continue to provide an optimal healthcare experience for our patients, physicians and staff and ultimately our community. Stony Brook Medicine invests in our community to make it better and your local community

hospital makes the health system better in turn.

Exciting things are happening at SBELIH. We are making significant investments in new technology, equipment and people. We continue to strive for excellence every day with phenomenal doctors, nurses, healthcare professionals and management. All in an effort to **specialize in you! Because all we do is all for you!**

At SBELIH, we consider it our privilege and responsibility to provide safe, quality care and to ensure that our patients' experiences are excellent.

## MESSAGE FROM THE AUXILIARY

Helene V. Fall  
President, ELIH Auxiliary

For more than 117 years, the ELIH Auxiliary has strived to ensure that the residents and visitors of the North Fork and Shelter Island have ready access to the highest quality healthcare. In 2021, our all-volunteer group of 130 passionate community members provided close to 16,000 hours of service with the 65 members of East End/Shelter Island Branch providing 1,061 hours of service, the members of the Southold West Branch providing 1,573 hours of services, the Opportunity Shop volunteers providing 10,058 hours of service and the balance of hours of service provided by our wonderful Auxiliary Executive Board and through special fundraising projects such as the Dream Green Extravaganza and the Car Giveaway.

Our motivation today remains the same, to ensure that our local community hospital, Stony Brook Eastern Island Hospital, continues to thrive and has the resources needed to add innovative technologies and care programs.

I am proud to say that 2021 was another banner fundraising year for the ELIH Auxiliary. Much of last year's success is due to the hard-working volunteers at the Eastern Long Island Hospital Opportunity Shop, a thrift shop in Greenport Village. Through their efforts, as well as Branch projects, and two major fundraising efforts, we donated \$510,000 dollars to the Hospital! The total donations from Auxiliary to ELIH Foundation were \$320,000 in unrestricted gifts, \$20,000 from the Car Giveaway, \$125,000 from the Dream Green Extravaganza, \$40,000 designated to new Infusion Pumps, and \$5,000 designated for Radiology Furniture. In addition to the \$510,000, \$1,100 in Memorial donations were made to honor Auxilians. Over the years, we have raised more than \$11 million for the Hospital!

I am grateful to the many talented volunteers who generously give their time and talent to the ELIH Auxiliary. Your talent, ingenuity, and dedication inspire me every day.

## MESSAGE FROM THE ELIH FOUNDATION

Alison M. Byers, Psy. D  
Vice Chairman

Z Micah Kaplan,  
Chairman

Eileen Brennan Oakley  
Vice Chairman

Z. Micah Kaplan here, and it is my privilege to be this year's Chair of Eastern Long Island Hospital Foundation Board of Directors. Since 1905 our small community hospital has served and saved countless lives each year. When I was given the opportunity to join the Eastern Long Island Hospital Foundation, I immediately knew it was something that I could do, and in some small way, serve by giving back to the community where I have lived and loved raising my family. For my fellow Foundation members to choose me as this year's Chair is an immense honor and an immense responsibility.

Our Foundation consists of volunteers in and around the North Fork and Shelter Island with one purpose in mind: to procure and provide financial support and promote Eastern Long Island Hospital Foundation as an integral component of our rural community's health care system.

Gifts to our Foundation provide the financial resources and flexibility to support a variety of wide-ranging programs and services as well as the purchase of state-of-the-art equipment and new technology. These gifts are the building blocks of our philanthropic efforts, supporting the day-to-day work of Stony Brook Eastern Long Island Hospital.

Last year we were able to support our community by enhancing our healthcare portfolio with many new pieces of innovative technology. These include a C-Arm to enhance our operative procedures; all new Intravenous Fluid Pumps for the hospital; and all new patient care stretchers. We also renovated our Behavioral Health Recreation Room and ER Waiting Room, started a new Wound Care Clinic and were able to modernize our Diagnostic Radiology Center with all new equipment and new rooms. As a result of these advances, our physicians here at SBELIH were able to transform and empower the hospital's delivery of care.

We have a special, personal connection with our community. All of us on the foundation board sincerely thank you for your amazing and strong support!
